

Lebanon Recreation's Department Youth Basketball Sportsmanship Pledge

As a player, coach, parent, official, referee or spectator of the Lebanon Recreation Department Youth Basketball Program I pledge that I will...

Remember the intent of this recreation basketball program is to provide an opportunity for the players to have fun, make friendships, understand sportsmanship, develop as good citizens of the community and to learn basketball skills & rules.

Value participation as more important than winning.

Exhibit good sportsmanship at all times.

Demonstrate support for players by only having positive reactions to the game and by applauding good plays by both teams.

Respect referees and officials at all times.

Respect coaches and players on both teams.

Respect other spectators.

Have fun.
